DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see Amendment, filed 7/8/05, with respect to claims 1-6 have been fully considered and are persuasive. The rejections of claims 1-6 have been withdrawn.

Reasons for Allowance

2. Claims 1-6 are allowed over the prior art of record.

3. The prior art fails to anticipate or render the combination of "displaying a plurality of images arranged in a two-dimensional array on a display screen wherein images arranged at least in a one-dimensional direction in succession among said plurality of images are images processed states of which are gradually changed in at least one attribute of image processing . . . performing image verification based on the thus displayed plurality of images" obvious as recited in independent claims 1, 5 and 6. Nor does the prior art anticipate or render the combination of "a device for reading an image recorded on photographic film . . . a display device for displaying the thus read image . . . image processed states . . . gradually changed in at least one attribute of image processing . . . are displayed in succession on a display screen of the display device" as recited in independent claim 3.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably **accompany** the issue fee. Such submissions should be clearly labeled Comments on Statement of Reasons for Allowance.
